WHO WE ARE

Ant-Tech Asia is a headhunting agency specializing in mid to senior-level recruitment, helping companies connect with the right talent.

ANT-TECH ASIA

TALENT PARTNERS, SUCCESS DELIVERED

COMPANY ORIGIN

Founded in 2020, Ant-Tech Asia is a dynamic technology and talent solutions company based in Vietnam. We specialize in recruitment, training, payroll, and outsourcing services, supporting businesses across multiple industries.

With a strong focus on the tech sector, we have built a trusted reputation for connecting companies with highly skilled, passionate programmers and digital talents. Our mission is to bridge the gap between talent and opportunity, empowering individuals and organizations to grow together in the digital era.

COMPANY GOALS

At Ant-Tech Asia, our goal is to become a leading hub for technology and talent solutions in Asia. We strive to empower businesses with innovative recruitment, training, and outsourcing services while nurturing the next generation of tech professionals. By bridging global opportunities with local talent, we aim to drive sustainable growth, digital transformation, and long-term success for both companies and individuals.

OUR STRENGTHS

Every year, Ant-Tech Asia partners with both domestic and international enterprises to connect them with outstanding Vietnamese professionals who can adapt to diverse work cultures. More than just recruitment, we are committed to supporting candidates even after they are successfully placed, ensuring a smooth onboarding and long-term success.

As a company, we constantly listen, learn, and improve to serve the best interests of our clients and partners. Backed by a professional consulting team, we manage payroll transactions with precision, punctuality, and full compliance—always upholding 100% confidentiality.

With this commitment, Ant-Tech Asia is confident in being your trusted partner on the journey to success.

Thank you once again for all your patience and helping us source a candidate after all this time. We recognize that your team has worked hard to send us a lot of candidates, and we truly appreciate it. We'd be happy to recommend you to a few other startups that we know in Singapore. *Kind regards CJ*
